

Dear colleagues,

We are glad to inform you about the upcoming special issue of the RUDN Journal of Philosophy in 2027, volume 1.

The special topic of the third issue is: The Philosophy of Heinrich Rickert

We invite you to publish scientific articles for this issue devoted to the study of various aspects of H. Rickert's philosophy.

RUDN Journal of Philosophy is a peer-reviewed academic journal. The journal is included in the international database *Scopus(Q1)* and the Italian citation database *ANVUR (Areas 11 and 14)*. For many years, the journal has been a space to feature the best research of leading Russian and international scholars in the fields of History of Philosophy, Ontology, Theory of Knowledge, Social Philosophy, and other areas. Our editorial policy also involves the strong support of young talented scientists throughout the world. The experience and traditions of the school of philosophical thought of RUDN University are embodied in the journal. Articles are published in Russian, English, and German.

More information may be found on the website: <http://journals.rudn.ru/philosophy>, as well as on the Facebook page: <https://www.facebook.com/rudnjournalofphilosophy> (short reviews of issues and individual articles with all relevant information).

The editor of the issue is leading experts in the philosophy of Heinrich Rickert, Professor Christian Krijnen of the Vrije Universiteit Amsterdam (Netherlands).

Articles (up to 40,000 characters) are accepted until November 1, 2026. The issue will be published at the *end of March 2027*.

Our team looks forward to your contributions!

Contributions from an international or comparative cultural perspective are welcome.

Sincerely yours,
Vladimir Belov,
Editor in Chief
